

Rain Barrel Sale

News Release Date

02-23-2024

The City of Minnetrista is teaming up with the Harrison's Bay Association and Recycling Association of Minnesota to offer rain barrels for sale. [Click here for additional details!](#)

The Harrison's Bay Association is excited to have our 2nd annual rain barrel sale through Recycling Association of Minnesota. The rain barrel program has expanded to include both the City of Mound and the City of Minnetrista. Each city has secured 72 rain barrels at a heavily discounted price, to distribute conveniently in Mound. Based on strong expressed interest, we expect these rain barrels to **sell out quickly**.

The rain barrels retail at \$120 and are being offered through Recycling Association of MN for \$90 +tax. With the city discounts the pretax cost is \$60.

Mound & Minnetrista Residents: use promo code **HARRISONS** for a 1/3 discount (~\$30) (only \$60 + tax.)

Help us to protect our precious Lake Minnetonka and Harrison's Bay by keeping the stormwater run-off on our properties!

[Click your here to purchase and use the promo code to receive the discount.](#) Note: finding the promo code is a little tricky. After you click on GO TO CHECKOUT you will see the promo code under the SHOPPING CART total.

RAIN BARREL PICKUP - MAY 4th

Rain Barrels will need to be picked up on May 4th at the Mound Parking Garage (Next to True Value). A demonstration rain barrel installation will be onsite for those who want to park and check it out. We are staggering the pickup times to better manage the flow of vehicles

Mound Residents: 9 am - 10:30 am

Minnetrista Residents: 10:30 am - 12:00 pm
