## What is Trista Day?

Trista Day started in 2001 as an attempt to get safety information to kids in our community.

We quickly learned that helicopters and food draw a lot of kids and adults as well. This proved to be a great opportunity to educate our community on issues like seatbelt use, air bag safety, gun safety, fire prevention, theft prevention, first aid, water safety, park and trail safety, victim services, DWI prevention and many other safety topics. At its heart Trista Day has always been a safety education event. An added bonus is that it's been a lot of fun. Over the years, Trista

Day has evolved to include more of the businesses in our area and what they have to offer. We also provide information on all of our City operations. Trista Day is a great family friendly event that continues to add more and more every year. If you've never attended Trista Day, please join us this year! Free water and popcorn will be provided. There will also be food trucks with items for purchase.

## Vendor Information

Trista Day is a great way to promote your business or organization! Whether you are selling items, giving away organization materials, or just telling us about your business or organization, you are welcome at Trista Day! Below is additional information.

- If you would like to register for Trista Day, click here to complete the [booth registration form](#). Booth assignments will be sent to you the first week of May.
- If you plan to give away food samples that are not packaged items (such as bottled water/pop, candy bars, etc.), you will need to obtain a Hennepin County Itinerant Food Event License. The food license will be good for the day of our event and costs \$98. You can download a copy of the [food license here](#). If you have any questions on the application, you can contact the Health Inspector's Office at 612-543-5200.
- We are asking all vendors check in between **9:00am and 10:15am** on May 18, 2024 at the Minnetrista City Hall front desk. Booths need to be completely set up and vehicles need to be in place by 10:30am to make sure we do not have moving vehicles in the event area as people are arriving. Your participation in the event will be noted on our website.
- Please be sure to check in BEFORE setting up as booth assignments may change to ensure the best balance, crowd flow, and safety. We would hate for anyone to get set up before checking in and find they have to move everything.
- Trista Day is a rain or shine event and will not be rescheduled due to the weather.
- Vendors must comply with all State, County and local laws and regulations.
